Mobile MasterCard® *PayPass*™ Vendor Product – Letter of Approval

Approval Identifier: MLOA-LOMO140601-140725(a) , expires on April 29, 2016
Product Vendor: Logomotion, a.s.
Product Commercial Name: LGM Card v1.1
Product Technical Name: LGM MicroSD v1.1
Registration Number: MS/LOMO/1406/M01/MMPPMC4/-A

Under the terms of the Mobile MasterCard *PayPass* amendment to the *PayPass* License Agreement dated November 8, 2012, this letter permits you to advise your customers that the above product has successfully completed the requirements for a vendor product approval by MasterCard as a **Mobile MasterCard *PayPass* Fully Encapsulated Secure Element loaded with Mobile MasterCard *PayPass* – M/Chip 4 v1.0 application (Type A)**.

Please see page 2 for the Conditions of Approval and the list of handsets that can be used with this Fully Encapsulated Secure Element.

This letter does not constitute an endorsement or warranty by MasterCard regarding the functionality, quality or performance of the submitted product, including without limitation any warranties of merchantability, fitness for purpose or non-infringement, all of which are expressly disclaimed by MasterCard.

MasterCard reserves the right to use any approved Mobile MasterCard *PayPass* product as a reference for future testing, certification or approval of other Mobile MasterCard *PayPass* products.

Yours sincerely,

Arnaud du Chéné,
VP, Senior Business Leader

Conditions of Approval

1. This Letter of Approval may be terminated at any time by MasterCard in the event that the Fully Encapsulated Secure Element is observed to have or to develop any material defect or as a result of any activity that causes non-compliance with the MasterCard reference specifications.
2. This Fully Encapsulated Secure Element has been tested using representative samples against MasterCard Functional requirements. It is possible that certain functional issues may arise in large scale deployments that were not noticeable in the representative samples.
3. Use of the Fully Encapsulated Secure Element with a MasterCard account is subject to the card issuer meeting the terms and conditions of the MasterCard *PayPass* Member Program Agreement.
4. The Vendor or Mobile Network Operators will inform each Issuer of the above conditions on or before the supply of the Product to such Issuer.
